### CANADA'S AID TO BREEDING

DETAILS OF PLAN BY WHICH THOROUGHBRED INDUSTRY WILL BE BENEFITED.

Government to Pay \$250 Annually to Keepers of Approved Thoroughbred Stallions-Inspection and Registry Provided For.

Ottawa, Ont., June 27 .- The news given out here Ottawa, Ont., June 27.—The news given out here to the effect that the government has decided to aid the horse-breeding industry in Canada by giving a bonus to thoroughbred sires placed within reach of farm mares is particularly pleasing to the organizers of the National Bureau of Breeding, who have worked two years and a half to bring this about, backed by over one hundred thousand farmers and breeders from coast to coast. This decision of the Ministry of Agriculture means that Canada will soon take her right-label as a country producing will by horses. It riculture means that Canada will soon take her rightful place as a country producing utility horses. It also means that the English remount problem, not to speak of the Canadian cavalry horse problem described by General French, will soon be a great deascloser to solution. In taking this step Canada shows the same progressive attitude already displayed by France, Germany, Russia, Austria-Hungary and other countries.

It also means that the burden of the National Burdan will be considerably lightened and that more sires

It also means that the burden of the National Burden will be considerably lightened and that more sires will be sent out. The conditions under which the grant is given are all in the interests of the farmer and breeder. All stallions must pass government inspection once a year and a service fee of not more than \$10 for cold-blooded mares must be charged. The stallions must be registered with the National Live Stock Records of Ottawa and must be thoroughbreds.

The National Bureau of Breeding is doing much to the National Bureau of Breeding is doing much to establish the thoroughbred horse on a firm basis in Canada, and has linked it up with a plan of imperial defense, as in Europe. The full text of the government proposition is as follows:

(1) All horses on account of which aid is given by the department must be registered in the Thoroughbred Stud Book of the Canadian National Live Stock Records.

(2) Horses shall be of good size analysis.

the department must be registered in the Thorougherd Stud Book of the Canadian National Live Stock Records.

(2) Horses shall be of good size, quality and conformation and shall be free from all hereditary unsoundness; these conditions to be ensured by submission annually at a thorough, careful examination, either at the hands of the Veterinary Director General or such other members of the veterinary staff of the department, or other persons as the minister may from time to time appoint for this purpose.

(3) Horses so approved shall be duly and properly advertised to stand for service of mares, under the ordinary and general conditions usual in the districts in which they are to be kept, at an annual service fee (except in the case of thoroughbred mares) of not more than \$10 to insure, such service fee to become due and payable only when mare proves to be in foal. Any person, firm or corporation owning or controlling any thoroughbred stallion in regard to which all of the conditions above set forth shall have been duly and properly fulfilled shall, on production of satisfactory evidence thereof and of the fact that a reasonable number of mares, other than thoroughbred mares, lave been served during the season, be entitled to receive at the close of each such season the sum of \$250 from the funds of the Live Stock Branch. If, in the event of a horse dying or becoming incapacitated for service during the season, an approved substitute is immediately placed in the same district, the minister may, after due consideration, authorize the payment of the subsidy above mentioned. The necessary forms will be furnished on application to the Veterinary Director General and Live Stock Commissioner, Department of Agriculture, Ottawa.

### INTERNATIONAL ARMY RACES PROPOSED.

London, June 27.—If the United States government supports the project there will be an international steeplechase meeting between officers of the armies of the world at Sandown Park next summer. Perry Belmont, president of the National Hunt Association, says that he has been working for it for some time. He talked with Charles P. Taft, brother of the president, and William H. Moore on the subject at the Olympian Horse Show this week and they will lend their hearty support. The Sandown Park directors will offer substantial prizes. Mr. Belmont has obtained promises from several European countries to compete. Lord Suffolk is co-operating in England, and, dependent on the attitude of the United States authorities, there is every prospect of brilliant success. Mr. Belmont thinks that American officers have an excellent chance of winning. He says:

"The project is part of the continued effort to moints of European cavalry horses on a plane with the moints of European cavalrymen."

He says he is not disappointed at the showing made by American officers at the horse show which better next time. The result shows, he says, that Improvement is necessary in the breed and training of America's cavalry horses.

### THIRTY LEADING MONEY-WINNING HORSES

Governor Gray still enjoys the distinction of leading American winning horses of 1911 and of being the sole winner of more than \$10,000. He is followed by three more three-year-olds. The Nigger, Meridian and Zens. Then the first of the older horses, Meadow, takes a place in the list. The Manager, with \$7,003 to his credit, leads the two-year-olds and the present record of the thirty leaders are as follows:

### GREATEST MONEY MEETING OF THE TURF.

The recent Ascot meeting presents a record of money distributed among winners to make an American owner's mouth water. No other meeting in England, nor anywhere else, approaches Ascot in this feature. Every race run there is a stake race, and to be able to win an Ascot race at once stamps a horse as something much above the ordinary. Below is a table of each day's racing in the order the races were run and the value of each to the winning horse. Inspection will serve to show why Ascot is rightly called Royal Ascot:

### GOSSIP FROM KENTUCKY SOURCES.

Cincinnati, O., June 27 .- R. H. Anderson has half Cincinnati, O., June 27.—R. H. Anderson has half a dozen yearlings this season which he will shortly take up and begin breaking. Mr. Anderson, in addition to Joe Morris, the Latonia Derby winner of 1910, has bred such good horses as Dick Welles, Ort Wells, Dick Fennell and Security. Of his six yearlings one is by Orlando and the other five by Dick Finnell, a brother to Dick Welles and Ort Wells. The Orlando colt is out of Lampoon, and the five by Dick Finnell are:

Black colt (half-brother to Joe Morris), out of Hanoverine, by Hanover.
Brown colt (half-brother to Financier and Anderson), out of Paradise Won, by Prince of Monaco.
Brown colt, out of Huxie, by Brantome.
Bay filly (half-sister to Auditor), out of Alcestis, by Hindoo.
Brux fills, court of Market Marke

Bay filly (half-sister to Auditor), out of Alcestis, by Hindoo.

Bay filly, out of Margaret B., by Griffon.

Mr. Anderson has five sucklings, including three colts by Stalwart, one filly by Dick Finnell and another by Transvaal. The Dick Finnell filly is out of Peace, dam of The Hague.

Mr. Anderson now has a band of twelve broodmares. This season he has mated four of them with Dick Finnell, three to Peep o'Day, three to The Scribe and one each to McGee and Planudes. One of the mares he mated to Peep o'Day was the noted Hanoverine, and this produce of 1912 will be a brother or sister to Joe Morris. Mr. Anderson will, as usual, have his yearlings broken at the Kentucky Association track this summer, and Jack Baker will train and race them for him as two-year-olds in 1912.

A. J. Gorey has only one yearling this season, a bay colt by Orimar—Katherine Moore. He also has a suckling filly out of this mare by Transvaal, and mated her back to that son of Commando this season.

G. W. J. Bissell of Pittsburg, whose string of

mated her back to that son of Command the son.

G. W. J. Bissell of Pittsburg, whose string of horses is at Latonia in charge of trainer Wayne Lewis, has no yearlings this season. All the mares he had in Kentucky were barren last year. He intends to buy a few youngsters the coming fall, if the New York Legislature acts favorably on the pending racing legislation. If things remain as they are he will only race his own produce, and he will wait to replenish his stable until his mares have some foals.

### CANADA'S BEST PATRONIZED STAKE.

Detroit, Mich., June 27.—A new stake, the Edenwold, which will be decided on the second day of the Windsor meeting in July, attracted the largest number of entries of any fixture on the Canadian circuit this season. This stake takes its name from Walter O. Parmer's stock farm in Tennessee. It is for two-year-olds at five-eighths of a mile and has an entry list of seventy-two, embracing the swiftest and most promising of the foals of 1909 in training. August Eelmont has named six. They are Wildweed, Lucky Lass, White Heat, Vestibule, Tactics and Overman. The nominees of R. F. Carman number four, embracing Sherlock Holmes, Dr. Watson, Inspector Lestrade and Lady Sapphire. J. N. Camden has entered three, Wheelwright. Praetorian and Batwa, and T. R. Condran's representative is Flamma.

The Canadian breeders are all well represented in the Edenwold. Robert Davies, of Toronto, has named Knights Differ, Black River, Stalmore and Mary Lawrence. The last-named has been showing high class form in races. The Dyments, millionaire lumbermen of Barrie, Ont., have nominated the Voter colt, Franchise, and Marcovil, a son of Cesarion. Mrs. L. A. Livingston, who is at once an American and a canadian owner, having part of her famous Rancocas Stud located near Coburg, Ont., has named Bard of Hope, Stentor, Lilburn and Marybud, all save Lilburn being sired by Armeath II.

John W. Schort's entrants are the Sain colt, Sheriff Nolte, and the Masetto colt, Froglegs. T. Turnmire has entered his good colt, Cash on Delivery, Capt. P. M. Walker, retired U. S. Army officer, will depend on his Plaudit colt, Maxentius, and Mrs. II. H. Selby has named Sister Florence, George Bendrie will have the distinction of being the only Detroia owner represented in the Edenwold. He has named to carry the tartan plaid of the Hendrie clan, the two Martinass geldings, Steamboat and Snippet.

R. T. Wilson, president of the Saratoga Association, has five in the Edenwold. They are Calibh, Ochre Court, Long Bow, Avernus and Genseric. S. C. Hiddreth has made and

### NO HAGGIN YEARLINGS LEFT HERE.

Lexington, Ky., June 27.—Commenting upon the shipment of James B. Haggin's Elmendorf yearlings to England last Saturday, a publication that devotes some attention to the turf says:

"This shipment to the English market does not in any way suggest that Mr. Haggin will not sell on this side of the Atlantic and should racing return, and with it the market for thoroughbreds, he will be well represented at the Fasig-Tipton auction during the season."

If Mr. Haggin is to be "well represented" at the yearling auctions "on this side of the Atlantic" this season he will have to bring back some of the fifty-three youngsters that are now on their way to the auction at Newmarket July 11, or acquire some forty mares and foals to Germany, where they were sold, and this left only fifty-six foals of 1916 at Elmendorf. There were fifty-three of these in the shipment that left New York for England on Saturday last. The three remaining at the farm are not to be sold. They are a bay filly by Star Ruby—Discipline, daughter of Greenan and The Task, and a bay filly by Star Ruby—Zeala, a sister to Waterboy. This last-mentioned filly might have gone to the sales but for the fact that she was foaled with a hernia and was not considered sufficiently grown to justify her shipment with the possibility of sacrificing her.

### LATONIA CONDITIONS WORSE

FAVORITES AGAIN FAIL TO CUT MUCH FIGURE IN THE RESULTS.

Worst Track of the Season Finds Merrick the Only Successful Public Choice-Listless Riding Charged Up to Several Jockeys,

Cincinnati, O., June 27.—Track conditions at Latonia this afternoon were worse than at any time since the opening of the meeting and were responsible for the failures of many of the better class of horses contesting in the various races. Selling conditions governed in five of the races, while the sixth was given over to maiden two-year-old fillies. Considering the bad track, the ordinary card and the threatening state of the weather during the early part of the afternoon, the attendance was accounted exceptionally good. Speculation was of larger proportion than expected and the outcome was naturally unsatisfactory to the public. Merrick was the only favorite that scored. Unsatisfactory riding again helped to mar the sport, Mountain, J. Glass and J. Wilson being the chief offenders. Mountain's listless efforts on Marsand and Al Muller brought him a caution from the judges. Glass should have won with Rompie in the fifth race in which McCahey, on Supple, outgeneraled Glass and Wilson. Tillie's Nightmare, a sister to Wintergreen, making her first start in Kentucky, was served up as a good thing and won impressively from Dorbie. Mountain, who rode Oreen, the favorite, was caught napping at the start and his mount was never a contender. The second race resulted in victory for Helene over Corinth and Marsand. The last-named was favorite, but under weak handling sprawled badly during the final furlong and succumbed to Corinth in the last stride for second place. Colonel Cook, running to his Jacksonville form and favored at the start, def for the entire distance in the third race and beat Alamitos, the favorite, to the finish. Merrick had little opposition in the fourth race and lead Al Muller and High Private for the entire running. High Private's showing in the race was only ordinary and, after the finish, Fred Luzader, acting for J. R. Wainwright, claimed him for \$1.555. Supple's victory in the fifth was fluky and unexpected.

The closing race resulted in a hard-fought final furlong duel between Redwine and Tom Bigbe

LONG A HOME OF GOOD RACING.

Manchester's Tracks, on Which the Sport Has Flourished Nearly Two Hundred Years.

Not many of my readers are aware that racing at Manchester dates back more than 180 years, sport laving been witnesseed on Kersal Moor in 1730. This continued uninterrupted for fifteen that the head of his Highland clans, and everything was turned upside down. There were faddists even in those far-off times, and prominent among them was one Dr. Byrom, whose influence was such that the races were discontinued until the thick of the third was a new provided by the fair sex. Who were pettily described as having "shone forth a pleasing sight to many the amount of the grand of the grand with that delicacy of behavior which inspires the heart." In 1816 was instituted the Manchester Gold Cup, which was won by Mr. Rushton's grey colt. Friend Nacl. ridden by M. Nobts, Next year 617. Stanley's cold the two following years the winner was provided by Mr. Houldsworth. Anti Radical took the trophy in 1820 and again in 1821 for John Mytton, the reckless Squire of Halston, and not more fortunate was his pokery. Dunn, who hear at Chester. Racing continued at Castle Irwell until 1869, when a fresh move was made to New Barns, and so until 1902, when the requisitions of the ship canal necessitated another change, and a return was made to the old site, which, however, was largely extended.
